VISION & MISSION

VISION

To create a conducive and congenial learning environment that caters to the various needs of the diverse learners in our school to acquire the essential skills of 21st century learners and develop holistically to face the world with courage and confidence to become a socially responsible Global citizen.

MISSION

MISSION STATEMENT 1: INFRASTRUCTURE

The school will build state of the art infrastructure which is essential to reach the vision.

MISSION STATEMENT 2: CURRICULUM

The school will develop student-centric curriculum which will maximize the participation and potential of every child in the learning process.

MISSION STATEMENT 3: PEDAGOGY

The school will develop Innovative and Creative Pedagogy to enhance the various skills of 21st century learners. Our core principle will be Competency Based Teaching - Learning process which will enhance Experiential and Active Learning.

MISSION STATEMENT 4: ASSESSMENTS

The school will generate assessment plans based on Multiple Intelligences (MI) and diverse learners in any classroom and ensure that every child experiences success which is essential for building one's self esteem to face the world with courage and confidence

MISSION STATEMENT 5: TEACHER DEVELOPMENT

The school will evolve necessary developmental plans in order to recruit / retain quality teachers who are considered to be the backbone of our school. For leading learning, our teachers would periodically engage themselves in Continuous Professional Development (CPD) programmes as prescribed in NEP 2020.

MISSION STATEMENT 6: EXTR-CURRICULAR & CO-CURRICULAR ACTIVITIES

The school will design a rigorous academic programme which will be our prime focus, but we would have an equally outstanding co-curricular and extra-curricular agenda for students to endow them with a much needed holistic education (As per NEP 2020) to give them a competitive edge over their counterparts elsewhere.

MISSION STATEMENT 7: CORE VALUE SYSTEM

The school will promote communal harmony, secular approach and inculcate in every child the respect for human dignity and a sense of patriotism.

MISSION STATEMENT 8: SQAA

In order to ensure that the school meets all these standards to become a first rate school in the country, we will periodically assess our systems and processes through SQAAF.

OUR PHILOSOPHY:

Aim to Develop Holistically

21st Century Skills

COMMUNICATION :

Communication skills are essential for success in school and beyond. By encouraging active listening, providing opportunities for collaboration, teaching effective writing skills, practicing public speaking, and using technology to enhance communication. Schools can help students develop strong communication skills that will benefit them throughout their lives. By developing good communication skills, students can improve their academic performance, build better relationships with peers and teachers, prepare for future careers, foster personal development, and enhance critical thinking abilities.

Assembly talks, Public speaking, Role-play, Debate, Peer discussion, Collaborative projects, Book review, Creative writing and Vox Populi.

COLLABORATION :

Collaboration among students promotes teamwork, enhances problem-solving skills, and fosters a sense of community. It helps students to develop important social skills and prepares them for success in personal and professional life.

Group projects, Peer teaching, Academic Exhibition, Expo, etc.

CRITICAL THINKING :

Critical thinking is essential for problem-solving, decision-making, and effective communication, and can help students become responsible and engaged citizens. By promoting critical thinking among students, schools can help prepare them for success in the classroom and in life.

Problem solving activities, Socratic Discussions, Debate and Declamation, Inquiry based learning and Brainstorming.

CREATIVE THINKING :

Creative thinking can help students in schools to solve complex problems, think critically, and come up with innovative solutions. However, it is often neglected in

traditional educational systems that focus more on rote memorization and standardized tests. Encouraging divergent thinking, Providing opportunities for self-directed learning, Incorporate art and music into the curriculum.

Mind mapping, Creative writing and Gamification.

LEADERSHIP :

Leadership in school is crucial for students as it helps in their overall development and prepares them for future challenges. It provides a platform for them to learn and grow, and equips them with the skills and qualities necessary for success in life.

Student Council, Organising Morning Assembly, Preparing various events / items for Annual Day Celebrations, Sports Meet and other Celebrations in the school.

HEALTH AND WELLNESS :

Health and wellness in schools promote academic success, mental health, and healthy habits. They create a positive school culture and prepare students for future success. Schools can play a critical role in promoting health and wellness by providing resources, education, and opportunities for students to prioritize their well-being as envisaged by the Government of India through its NEP2022.

EXPERIENTIAL LEARNING :

Experiential learning focuses on creating experiences that have a practical application of knowledge and skills to real-world experiences to increase learner's knowledge and develop competence in skills and behaviours.

Hands-on laboratory experiments (Pasco Lab & Science Lab) , Field trips and Educational tours.

CAREER COUNSELLING :

Career counselling in schools helps students explore their interests, skills, and values to make informed decisions about their future career paths. It helps students achieve their career goals and succeed in their chosen fields.

Psychometric Test, Personality Test, Aptitude Test, Interest Test & One on one discussion - Counseling Report.

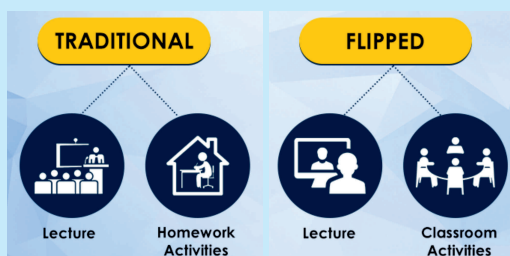

COMMUNITY OUTREACH PROGRAM :

Community outreach program aims to connect schools with the wider community, with the goal of enhancing student learning and community development. It provides opportunities for individual development, promotes wellness, and builds social connections.

Adaption of a neighbouring village and taking up the following projects : i) Academics ii) Sports & Games for the school going iii) Adult Literacy & iv) Nutrition and Healthy living etc.

FLIPPED LEARNING :

In the flipped classroom, students watch pre-recorded lectures or read instructional materials before coming to class, and use class time to engage in active learning by indulging in discussions, problem-solving, and collaborative projects.

By providing students with the opportunity to review and interact with instructional materials before class, they are better prepared to engage in class activities and apply their knowledge. In addition, class time can be used more efficiently, with teachers focusing on addressing student's questions and facilitating deeper learning experiences rather than delivering lectures.

HIGH - TECH CLASSROOMS (INTERACTIVE PANEL WITH LMS SUPPORT):

It provides communication tools that allow educators and learners to communicate effectively. Educators can send announcements, respond to student inquiries, and facilitate discussion forums. It allows Educators to create and deliver quizzes, assignments, and assessments. The system can automatically grade assignments and provide learners with feedback. It also provides a personalized learning experience for learners. The system can adapt to individual learning styles and provide learners with customized learning paths. There are prime objectives behind this exercise, they are i) the lessons are customized to the needs of individual learners and ii) it promotes deeper learning and each learner can use it to their pace of learning.

EXAMS & ASSESSMENTS

UNIFORM SYSTEM OF ASSESSMENT, EXAMINATION
AND REPORT CARD FOR CLASSES VI – IX FROM ACADEMIC
YEAR 2017 – 18.

As you are aware, the CBSE has restored Board Examination for class X and revised assessment structure and examination for class X from Academic year 2017 – 18 onwards. This new scheme will bring the uniformity in the system of assessment and examination for classes XI and X in all the CBSE affiliated schools. To increase the confidence in the students to start preparing for class X board examination when they join the upper primary stage in class VI, the CBSE has decided to implement the uniform system of assessment, examination pattern and issue of report cards for classes VI to VIII also on the similar pattern. While keeping in view the provisions of Rights to Education Act, 2009, the scheme for classes VI – VIII has been designed on Term Assessment basis with gradual increase in the learning assessment as the students move forward. This would prepare the students to cover the whole syllabus of the academic year and face the challenge of class X Board examination, and would thus, ensure the “quality of education”.

As the CBSE affiliated schools are required to follow the NCERT syllabus in the upper primary stage, uniformity in the assessment structure, examination and issue of report card across all the affiliated schools is felt necessary from classes VI to VIII. The detail components of the scheme are mentioned below for easy understanding and implementation. There are basically three areas of assessment that CBSE has proposed. They are: 1. Scholastic areas 2. Co-scholastic areas and 3. Discipline. The assessment structure for classes VI to VIII are explained below:

PRAYERS

SCHOOL PRAYER

O God, Who hast set us here in the majestic grandeur of this land, make us ever mindful of the abundance of Thy blessings. We praise Thee for our school, and for the heritage into which we have entered. Take away whatever is unworthy from our midst; cherish and strengthen whatever is best. Bind us more closely together in the spirit of loyalty and service so that our school may grow in strength and may become a first rate institution.

PRAYER BEFORE CLASS

Almighty God, we thank Thee for the beginning of a new day, for the dim twilight, the glowing sunrise, for new hopes and new opportunities, for the new consciousness of Thine abiding care. Give us courage and strength for our work today, give us steadfastness of purpose, patience and humility, and help us to speak the truth.

PRAYER AFTER CLASS

O God, under whose mighty and gracious protection our day was spend; we thank Thee for the continuance of so many great blessings; for the good examples we have seen; for the good words we have heard or read; for all good thoughts and fine desires which have come to our minds. O God, grant that these may not be unfruitful in us.

May God bless my mother; God bless my father; God bless my sisters; God bless my brothers; God bless my teachers; God bless me and make me a good child.

SPECIAL PRAYERS FOR THE NEW TERM

O God, we are together at the beginning of another term to ask Thy blessings upon us all. Make us strong in mind and body; make us eager in work and play; make us loyal, and ready to endure discipline for our own good, for the good of the school, and for the glory of Thy name. Give Thy blessings to all new members of our school. And grant unto us all that, as we grow in mind and stature, so may we ever grow in the knowledge and love of Thee.

FOR THOSE IN TROUBLE

O God, bless those who are not so fortunate as we are, bless those who are ill. Specially bless those who are away from home in hospitals and in infirmaries and who are feeling everything very strange, and are a little afraid. Bless those who are poor and hungry and cold; grant that in our happiness we may not forget the need of others.

THANKS GIVING AT THE END OF THE TERM

O God, under whose mighty and gracious protection our days are spent, we thank Thee for the mercies of the term that is now past, for the continuance of so many and great blessings; for any good examples we may have seen; for any good words we may have heard or read, for all thoughts and fine desires which Thou may have put into our minds. O God, grant these many not be unfruitful in us. Also that we may all have a safe journey back home and an enjoyable and rewarding holiday.

May God bless my mother; God bless my father; God bless my sisters; God bless my brothers; God bless my teachers; God bless me and make me a good child.

ASSERTIVENESS AND ACCEPTANCE

“

"Dost thou reckon thyself a puny form,
when within thee the Universe is folded?"

- Imam Ali

”

Assertiveness is speaking one's truth with peaceful confidence - the courage to speak up what we believe is right. Assertiveness comes from knowing our own worth, and honoring the dignity of who we are. We stand on our own holy ground, and set boundaries without guilt. We never beg or make demands. We ask for what we need by making simple, positive requests.

Am I Assertive?

- ❖ I speak the truth with confidence.
- ❖ I value the gifts I have.
- ❖ I stand up for what I think is right.
- ❖ I honour my own worth.
- ❖ I set clear boundaries.
- ❖ I know I am worthy of respect.

“

"The greatest gift that you can give to others is the gift of unconditional love and acceptance."

- Brian Tracey

”

Acceptance is embracing life on its own terms. We are open to what is, rather than wishing for something different. We face the truth in all circumstances with honesty and courage. Acceptance helps us bend without breaking in the winds of tests, to gather the lessons and step forward with new wisdom and awareness. We affirm others and ourselves for the qualities we do have and avoid judgment and criticism for what we don't have.

Do You Practice Acceptance?

- ❖ I receive my tests with humour and grace.
- ❖ I accept the things I cannot change.
- ❖ I trust that there is good in whatever happens.
- ❖ I accept my intimates as they are.
- ❖ I trust that I am a person of value.

BEAUTY AND BELIEF

“

""A thing of beauty is a joy for ever:
Its loveliness increases; it will never Pass into nothingness..... "

- John Keats

”

Beauty opens us to the deep patterns of life that connects us to all creation. It calls on to look beyond the superficial appearance to appreciate the gifts in each person. We practice beauty by creating a space of grace and order around us. We can reflect beauty more than in ways we dress, move, and speak - A unique expression of divine nature in us, is the spiritual beauty.

Am I Beautiful?

- ❖ I spend time in the beauty of nature.
- ❖ I am inspired by the mysteries of life.
- ❖ I look for the good within everyone.
- ❖ I create a space of beauty and order around me.
- ❖ I speak and act graciously.

“

Belief is a wise wager. Granted that faith cannot be proved,
what harm will come to you if you gamble on its truth and it proves false?
If you gain, you gain all; if you lose, you lose nothing.

- Blaise Pascal

”

Every person has a set of personal beliefs and ideas. Many of the afflicted find that the journey deepens their beliefs. It can even change the way they think about life. Belief doesn't just survive adversity; it gets stronger because of it. Belief empowers people by giving them unshakable resolve. Belief is what animates the ability to respond to any situation with extraordinary toughness, tenacity, and determination.

Believe in your heart that you're meant to live a life full of passion, purpose, magic and miracles. Be brave to stand for what you believe in even if you stand alone. Great things happen to those who don't stop believing, trying, learning, and being grateful. The unreal is more powerful than the real.

Let's put things into perspective - here are some examples of core beliefs. Does your belief system support such points?

- ❖ Murder is wrong.
- ❖ You should help people in need.
- ❖ You shouldn't lie.
- ❖ You should brush your teeth.
- ❖ You should be nice to people.
- ❖ Giving is better than receiving.
- ❖ Stealing is bad.

CHARACTER AND COURAGE

"I hold that a strongly marked personality can influence descendants for generations."

- Beatrix Potter

Our character is developed through time. Trials and tribulations are tough. We all have them in some way. We can mask them, pretending they are not really there. Character builds over time. Character is additive. We cannot waste our youth pursuing things that neuter or subtract from our character. Equally true, we cannot spend our older years tearing down the character we built. In both cases, we are wasting time.

Each choice and action we take adds or detracts from our character. Any given day, we should have more positive character choices and actions than negative ones. Getting character right is not a balance exercise. Not even close. We should build character through our good choices and actions as often as we can.

Do I Have A Strong Character?

- ❖ I make good choices to build my character.
- ❖ I am ready to face challenges.
- ❖ Trials make me stronger.
- ❖ I learn from my mistakes.

Courage is what it takes to stand up and speak;
courage is also what it takes to sit down and listen.

- *Winston Churchill*

Courage refers to the fact that one should not be afraid of the consequences of an action if he or she knows that it is the right thing to do. Courage does not mean you have to face danger in a physical form, but that you have to be ready to do what is right.

Am I Courageous?

- ❖ I believe in right and wrong.
- ❖ I accept truth even when bitter.
- ❖ I decline offers that are against my conscience.
- ❖ I like to take risks for personal growth.
- ❖ I am not afraid of the consequences of a right act.

Diligence

Giving our best in relationships and mission.

Decisiveness

Making decisions
based on our highest
virtues without second
guessing ourselves.

"Genius is 10% inspiration, and 90% perspiration."

- Thomas Edison

Diligence is doing what needs to be done with care, concentration and single-pointed attention. It springs from our desire for excellence. When we work with diligence, we give our absolute best. We are artisans, crafting whatever we create with love. We work meticulously in alignment with our purpose. Diligence is deeply satisfying to our souls.

Am I Diligent?

- ❖ I give 100% to the work I do.
- ❖ I strive for excellence.
- ❖ I pay full attention to whatever I am doing.
- ❖ I am conscientious and careful.
- ❖ I love my work.

“

"Life is either a daring adventure or nothing."

- Hellen Keller

”

Decisiveness is firmness of mind in taking a stand or making a decision. It requires us to be both courageous and discerning. At times, a choice appears and we must make it instantly, without hesitation, prompted by a deep knowing that it is right and timely. Decisiveness can also call us to hold a decision with patience, prayer and deep contemplation. We move forward with resolve and confidence. Being decisive, we are content with our decisions and do not second guess ourselves. The timing of a good decision is just divine.

How Decisive I Am?

- ❖ I have the courage to decide.
- ❖ I have the confidence in my choices.
- ❖ I am not afraid to act in the moment.
- ❖ I take the time I need to discern the wisest path.
- ❖ I carry my decision into action.

ENDURANCE AND EXCELLENCE

“

"Endurance is not just the ability to endure a hard thing,
but to turn it into glory."

- William Barclay

”

Endurance is our ability to withstand adversity and hardship. We practice perseverance and patience when obstacles arise, open to the lessons they bring. We don't give up or feel hopeless about ourselves. We hold on. Endurance hones our character and seasons our souls. Weathering the inevitable challenges deepens trust and loyalty. The early navigators who plotted their course with nothing but the stars became strong, confident sailors. When trouble comes, endurance gives us the strength to stay the course.

Do I Have Endurance?

- ❖ I find the strength to live through adversity.
- ❖ I seek the lessons in hardships.
- ❖ I do not let troubles keep me down.
- ❖ I accept the challenges life requires.
- ❖ I have lasting relationships.
- ❖ I gain confidence by not giving up.

“

"When love and skill work together,
expect a masterpiece."

- John Ruskin

”

Excellence is giving our very best to any task we do. Within us are many possibilities. Excellence hones our talents and turns them into gifts for the world. Excellence requires us to practice humility by learning from mistakes. Each time we do something, we seek to improve it, to keep raising the bar. Excellence is effort guided by a noble purpose. It is ongoing mastery. It flows when we are doing what we love. The perfection of a seed is the fruit that grows from it. Excellence in our lives brings our gifts to fruition.

Have I Discovered The Path To Excellence?

- ❖ I give my best to all that I do.
- ❖ I am a lifelong learner.
- ❖ I fulfill my true possibilities.
- ❖ I strive for mastery.

FAIRNESS AND FORTITUDE

"Hear one side and you will be in the dark;
hear both sides and all will be clear."

- Thomas Chandler Haliburton

Fairness is treating each other even-handedly so that each person receives a share. With fairness, we meet everyone's needs. We listen to the views of others with openness and expect to be heard with equal respect. We don't focus on who is right but on what is right for all concerned. Without bias, favoritism, or prejudice, we level the playing field. We are as protective of the rights of others as we are of our own. We seek not to overpower but to empower. We are lovers of justice.

Do I Act Fair?

- ❖ I treat others justly.
- ❖ I hear others points of view with openness.
- ❖ I care more about doing things right than being right.
- ❖ I believe in fair play.
- ❖ I do to others what I want them do to me.

“

"Hold your precious heart steadfast in fortitude until the siege is passed and you will be duly nourished."

- Anonymous

”

Fortitude is the strength of character. It is the will to endure no matter what happens with courage, confidence, and patience. Fortitude is deeply rooted in the bedrock of our will. We cultivate it by strengthening our resolve to face whatever comes. It springs from devotion to a purpose we believe to be real and important. It grows as we face and overcome insurmountable obstacles. It keeps us going. Our fortitude can astonish us.

Have I Built My Fortitude?

- ❖ I have the will to survive.
- ❖ I have the patience to endure.
- ❖ I am guided by a clear purpose.
- ❖ I know what I care about.
- ❖ Whatever life brings makes me stronger
- ❖ I have amazing endurance.

GENEROSITY AND GRATITUDE

“

"The fragrance always remains in
the hand that gives the rose."

- Mahatma Gandhi

”

Generosity is giving to others something that is of value to us. Every gift is doubly blessed, bringing joy to the giver and the receiver. Generosity helps us to give time and attention to the feelings, needs and views of those around us. It springs from a sense of abundance and gratitude for the limitless richness of life. Nature teaches us to be generous. It gives cheerfully without expecting anything in return. Generosity encourages us to share this bounty.

Am I A Cheerful Giver?

- ❖ I willingly share with others.
- ❖ I give fully and freely.
- ❖ I take time each day to be grateful.
- ❖ I willingly share all the bounties life offers me with others.
- ❖ I am charitable and not greedy.
- ❖ I do not expect returns for my acts of charity.

"Happiness cannot be travelled to, owned, earned, worn or consumed. Happiness is the spiritual experience of living every minute with love, grace, and gratitude."

- Denis Waitley

Gratitude is a constant attitude of thankfulness and appreciation for life as it unfolds. Living in the moment, we are open to abundance around us and within us. We express appreciation freely. We contemplate the richness of our life. We notice small graces and are thankful for daily gifts. In life's trials, we seek to understand, to accept, and to learn. Gratitude is the essence of genuine happiness and a continual celebration of life.

Am I Grateful?

- ❖ I perceive the blessings in each moment.
- ❖ I continually express appreciation.
- ❖ I reflect on the good things of life.
- ❖ I find value in my tests.
- ❖ I celebrate abundance.

HUMILITY AND HUMANITY

"I long to accomplish great and noble tasks,
but it is my chief duty to accomplish humble tasks
as though they were great and noble."

- Helen Keller

Humility is being modest, humble, and unpretentious. We consider others' views and needs as important as our own. We willingly serve others and accept help when we need it. When we cause hurt, we have the humility to admit it and make amends. We accept the lessons life brings, knowing that mistakes are often our best teachers. Humility is not humiliation. We do not shame ourselves or others with the illusion that we are meant to be perfect. We give our very best, and trust that it is enough.

How Humble Am I?

- ❖ I value others' thoughts and feelings.
- ❖ I am willing to give and receive help.
- ❖ I am a work in progress.
- ❖ I admit mistakes and learn from them.
- ❖ I am grateful for my gifts.

“

"An individual has not started living until he can rise above the narrow confines of his individualistic concerns to the broader concerns of all humanity."

- Martin Luther King Jr.

”

Humanity is an attitude of caring for all people. We all breathe the same air. We all suffer and rejoice. We lose our humanity whenever we generalize a group of people and separate ourselves from them because of external characteristics such as race or sex. We tap into our humanity when we put ourselves in others' shoes and are genuinely concerned for their welfare. Our humanity grows as we serve others. There is no "they", only "us".

Am I Being Humane?

- ❖ I feel a common bond with all people.
- ❖ I value each person as an individual.
- ❖ I refrain from prejudice.
- ❖ I feel empathy for the suffering of others.
- ❖ I am compassionate.
- ❖ I offer humanitarian service.

IDEALISM AND INTEGRITY

"You see things and you say, 'Why?' But I dream things that never were and I say 'Why not?'"

- George Bernard Shaw

Idealism is having a vision of what is possible and wanting to make a difference. It is caring passionately about what is meaningful in life. Idealists see things as they could be and have faith in the power of change. We put our principles into practice. We don't accept the way things are. We dare to have big dreams and then act to make them possible. Idealism doesn't mean that we are idle dreamers. Idealists do something to make things better and make the ideal real.

Am I An Idealist?

- ❖ I have a dream.
- ❖ I have a plan.
- ❖ I have faith in the highest possible outcome.
- ❖ I walk my talk.
- ❖ I persevere.
- ❖ I make a difference.

“

"To put the world right... we must first cultivate our personal life;
we must first set our hearts right."

- Confucius

”

Integrity is to live by our deepest values. We keep our agreements reliably. Our actions match our words. We strive to balance impeccable integrity and unfailing tenderness for others and ourselves. We cherish the challenge of doing the right thing in all circumstances. We give excellence to whatever we undertake. We live by our personal covenant.

Am I A Person With Integrity?

- ❖ I live by my ideals.
- ❖ I am faithful to the virtues of my character.
- ❖ I am trustworthy.
- ❖ I temper righteousness with forgiveness.
- ❖ I strive to do the right thing.
- ❖ I abide by my heart's deepest promise.

JOY AND JUSTICE

“

"Joy gives us wings! In times of joy our strength is more vital, our intellect keener, and our understanding less clouded. We seem better able to cope with the world and to find our sphere of influence."

- Abdu'l-Baha, *Paris Talks*, p.109

”

Joy is an inner wellspring of peace and happiness. It is beyond the ordinary happiness. It is a deep sense of wellbeing. We appreciate the gift of life, and savor its richness. We enjoy simple pleasures. We find the humour in things. We allow joy to carry us through the painful times. We take ourselves lightly and remember to play. Joy comes when we are being true to a soulful purpose. It gives us an abiding sense that all is well.

The practice of joy is not without challenges. We may face hardships and adversity along our journey. However, it is during these times that the practice of joy becomes even more vital. It supports us to navigate difficulties with resilience and optimism. It is a reminder that even amidst the storms of life, there is always a silver lining to be found and we can weather any storm.

It creates lasting memories, strengthens bonds, and fosters an environment where love, laughter, and happiness can thrive. It is a choice to embrace the beauty and blessings that come your way to cultivate an atmosphere where joy becomes a natural part of the fabric of everyday life.

Do I Have The Joy?

- ❖ I have a deep sense that life is good.
- ❖ I enjoy the richness of life's experiences.
- ❖ I appreciate simple pleasures.
- ❖ I am optimistic and hopeful.
- ❖ I am in touch with my purpose.
- ❖ I feel inner peace even when life is difficult.

"Thou shalt not be a victim. Thou shalt not be a perpetrator.
Above all, thou shalt not be a bystander."

- Yehuda Bauera (Holocaust Museum, Washington D.C.)

Justice is being fair in all that we do. We continually seek the truth, not bowing to others' judgments or perceptions. We do not backbite. We clear up problems face to face. We make agreements that benefit everyone equally. When we commit a wrong, we are honest in correcting it and making amends. It is never just for strong people to hurt weaker people. With justice, we protect everyone's rights. Sometimes, when we stand for justice, we stand alone.

Am I Just?

- ❖ I think for myself.
- ❖ I do not engage in prejudice or backbiting.
- ❖ I make fair agreements.
- ❖ I make restitution for my mistakes.
- ❖ I honor people's rights including my own.
- ❖ I have the courage to stand up for the truth.

KINDNESS AND KARMA

"Be the living expression of God's kindness; kindness in your face, kindness in your eyes, kindness in your smile..."

- Mother Teresa

Kindness is caring that springs from compassion. We have genuine concern for the welfare of others. We are warm, friendly, and ready to help. We give tender attention in simple ways that bring others happiness. Kindness is the daily bread of love. When we feel angry, we resist the temptation to be cruel. We are good stewards of the earth and all living things. When we fill our cup, our kindness naturally overflows to others.

How Much Of Kindness Have I?

- ❖ I have empathy for others.
- ❖ I notice what people need.
- ❖ I forgive others and love to be helpful.
- ❖ I am thoughtful in little ways.
- ❖ I practice good habits that help the earth.

“

"The meaning of karma is in the intention.
The intention behind action is what matter."

- *The Bhagavad Gita*

”

What goes around comes around! You reap what you sow. Whatever you give out to the universe, you get back the same. Hence whatever you do, do it with good intent. There is always room to become a better person. The universe sees it all. All that is happening around is the result of past actions. Sow seeds of happiness, hope, love and success, reap all these in abundance - This is the law of nature and it changes not! The more you give away, the more you receive.

Do I Believe In Karma?

- ❖ I check my actions.
- ❖ I know I am accountable.
- ❖ My intentions are always pure and good.
- ❖ I want to contribute to making this sphere a better place for all.
- ❖ My actions are devout with love and not hatred.

LOYALTY AND LEGACY

"Loyalty is my motto. When I give you my word,
you can trust me."

- Philippa Gregory

Loyalty is unwavering commitment to the people and ideals we care about. We are steadfast through good times and bad. Even when others disappoint us, we are resilient and forgiving. We invest in our relationships and do what it takes to keep them whole and strong. We stand by our true friends whatever the cost. We don't allow blind loyalty to lead us into trouble. Above all, we must be true to ourselves, and loyal to what we know is right.

Am I Loyal?

- ❖ I am steadfastly committed to my work.
- ❖ I stand by my loved ones through thick and thin.
- ❖ I am devoted to keep the trust people have in me.
- ❖ I do not allow misplaced loyalty to endanger me.
- ❖ My first commitment is to the truth.

“

"Legacy is not what I did for myself;
it's what I'm doing for the next generation."

- Vitor Belfort

”

Legacy is the core impact you make of your life for an eternity. No matter what happens in life, be good to people. Being good is a wonderful legacy to leave behind. Legacy speaks volumes after we are gone. You stay on course from the beginning to the end because you believe there is something inside you. You discover yourself to the fullest, explore the deepest and reach the highest. You become an icon, an epitome of not materialism but of goodness and greater value to humanity.

Have I A Legacy To Leave Behind?

- ❖ I want the world to be a happy place always.
- ❖ I would like to bring the world together.
- ❖ I am a pacifist.
- ❖ I care for all living beings.
- ❖ I rejoice in creating harmony.
